SUMMARY

I'm a hardworking and smart individual who always looks for better ways to get the job done. I believe in learning something new every day and improving my skills to work more efficiently. Recently, I've been focusing on building strong Excel and data management skills to move into office or stock management roles. I'm ready to take on new challenges and grow in a professional environment.

WORK EXPERIENCE

2023 - 2025t

Stock Management

- Managed inventory and stock records using Excel.
- Maintained accurate documentation and reports.
